

Dedication of the Eloise Butler Memorial Tablet Documents

April 30, 1934.

To the -

Honorable Board of Park Commissioners
Minneapolis, Minnesota.

Gentlemen:

On Arbor Day, May 4, at 4:00 PM, a brief ceremony will take place at the Eloise Butler Wild Flower Garden in Glenwood Park to dedicate the bronze tablet in memory of the garden's first curator, Miss Eloise Butler.

The arrangements for the securing of the tablet, as well as the details of the simple ceremony, are in the hands of a committee composed of Miss Butler's friends and admirers - most of them her former botany students. The committee has extended an invitation to the members of the Board and its officers to be present at that ceremony, at which time the tablet will be presented by a member of the committee and accepted by the President of the Board.

Respectfully submitted,

TT-4

General Superintendent.
